Sidney Thompson, Yearbook Editor

After months of work, the 1957 Yearbook went to press. This year, the staff was composed entirely of seniors. Our new editor, Sidney Thompson, was chosen to take over the job of Bob Brown, last year's editor. Right away we decided to make this year's Yearbook the best it has ever been and all think it is. Doing such jobs as labeling pictures, typing copy and drawing pages, occupied the minds of all as deadlines drew near. Hewitt Studios again made the pictures for the underclassmen and the pictures for the senior class were made by Zamsky Studios. Class pictures were a problem when they were lost or not paid for, but problems arose everywhere before the yearbook was finished. This year a new camera, the Pacemaker 4x5 Crowngraphic was purchased to supply the many hundreds of pictures needed for the new Yearbook. As the year wore on, work increased as everyone tried to get the yearbook to press. The dummy, which is the unfinished book, was returned to be completed. Each page had to be drawn in triplicate and all copy had to be typed on the pages before the book could go to press. All pictures had to be identified, numbered for page and place and cropped. After much work and times when it seemed we would never make the deadlines, the Yearbook was completed. We are very pleased with the 1957 Yearbook and we hope everyone in the school will like it also.

6. "Seconds" are always the best—if you don't agree just ask Jane and Doug.
7. "Where there's a will there's a way", and Shirley and Cynthia would admit that a book case doubles for a mirror quite satisfactorily.

1. Channey Massey and Joan Morris were designated to "guard" property during school fair, but find smiling for photographer more enjoyable.
2. Vote for the best man—the man my party represents, says Ian Rodway.
3. Mr. Landes, our principal, crowns King George and Queen Millie in intermission ceremony at Junior-Senior Prom.
4. Mike Keys proves old adage, "Monkey see, Monkey do"

3. Typical "gossip session" for publications staff members Kay Wisner, Juanita Garretson, Marilyn Meserve and Pat Gillam.
4. Prom time — tux line, as "fancy steppers" claim their duds for Junior-Senior Prom.
5. Senior Sponsor and P.T.A. President "check" ticket holders to yearly school function.
6. A sleigh full of music by ten musicians brings dance time to hallowed halls once more.
7. "The Pause that Refreshes" and small talk for upperclassmen during dance intermission.
8. Sid Thompson tips his cap to earth people at a night of thrills--a football game.

# School Scenes

Malcolm Brown adds finishing touches to ceiling streamers for school dance while Brenda Burch urges him to hurry along — there are many tasks to be completed before dance time.

Junior Varsity cheerleaders provide the noise for all J. V. athletic games, and also assist the varsity aggregation when called upon to do so.

Donna MacIntosh, a difficult child, pantomines in dramatics class. "Pop" facing camera is perplexed with daughter's actions during family meal.

Snow fell one winter's day and gave our students a chance to play—but just for a "make believe" battle.

# *Student Government Association*

The Student Council Association, which was organized in 1935, is one of the most honored and respected organizations in our school. The S. C. A. is functioned through a house of representatives, which are students selected from each home-room, a Senate, which is composed of two Senators from each grade, a Cabinet consisting of sixteen members which help in Student Government projects, a president and four other elected officers, and the Co-ordinating Body, which is the go-between for Faculty, Administration, and Students. The Student Government keeps on a busy schedule all during the school year. One of the highlights of the year is the annual magazine campaign. Our total sales for this year will finance clubs and school activities. This year the Student Government printed student telephone directories, listing each student's name, address, and telephone number. The handbook will also be published this year, edited by David Sumler, our reporter. We sent delegates to the County meetings, and the state convention at Fredericksberg.

Our aim in the Student Government is to instill in each student a finer sense of honor and responsibility. In attempting to accomplish our aim, the Student Government has successfully maintained a wider and more keenly felt spirit of self-reliance among our students.

To the Student Government we look for leadership and we follow it as a guide with a true sense of loyalty and friendship.

Editor in Chief

The "Em Vee Hi," the Mount Vernon High School student publication, is published monthly by the newspaper staff, contributors, and the journalism class members.

A great amount of work is put into each issue Writing, proofing, editing, setting up a dummy, and meeting deadlines are only a part of putting out a good publication.

The "Em Vee Hi" is a member of the honorary writing society, the Quill and Scroll, and the Southern Interscholastic Press. Each year the "Em Vee Hi" has taken various awards and criticisms from the Southern Interscholastic Press Association. This year delegates from the "Em Vee Hi" attended the Southern Interscholastic Press Conference at Washington and Lee University, in Lexington, Virginia.

In order to increase the number of subscriptions, the "Em Vee Hi" staff sponsored a drawing of subscribers' names with tickets to athletic events as prizes. "The Kick-off Dance" for the commencing of the magazine drive, and the Talent Show also were sponsored by the newspaper.

Each Wednesday afternoon the Future Teachers of America Club met under the capable guidance of its co-sponsors, Mrs. Hattie Quinley and Mrs. Doris Rosen. One of the highlights of the year was the annual March of Dimes drive which was held during January—a total of more than four hundred dollars was collected during the two-hour disc jockey program. The main purpose of the club, however, is to be a service club.

Membership into the club is open to any boy or girl student in grades eight through twelve who is interested in making teaching their profession. During the past school year members and sponsors concentrated on research with regard to making scholarships available to prospective teachers.

# Cotillion Club

The Cotillion Club has done it again! That is, we have lived up to our motto, which is, "Dance and have a lot of fun." We accomplished this during our Wednesday meetings after school. After the business was taken care of, the chairs were pushed back and the record player brought in.

Due to Mr. Walters' resignation and departure, our club was late getting organized. Our newly elected officers and our new sponsor, Miss Kathleen Schaub completed the year successfully. Our club has a formal dance every Spring for the members in good standing and their guests. The cost is covered by dues and profits are accumulated throughout the year. These events have become annual and the club hopes they will become bigger and better every year.

# Bible Club

This year the Bible Club with the help of the sponsor, Miss Schikle, and the enthusiasm of the members had a very successful year. Meetings were held every morning before school.

The membership of the club was divided into two teams, the " 'Vite 'em in" and the "Bring 'em in," to compete for the most new club members. At the end of the year the losers gave a party for the winners.

"Seventeen," a religious film sponsored by the Bible Club, was perhaps our most successful project. The library, where the film was shown, was filled to capacity. Other activities enjoyed by the club included quizzes, interesting gospel films, guest speakers, and talent from within the club. Every Saturday evening club members attended Y.F.C. in Alexandria.

Surely the Lord was responsible for our many blessings.

BASKETBALL SEASON

# Pep Club

The Pep Club was organized early in the Football season this year in order to encourage more school spirit and support for the games. Our elections for the season were held, with Carolyn Bassford elected as president; Bunny Baber, vice president; and Brenda Burch, secretary-treasurer. One of our earlier projects was the selling of Beanies (for $1.00) and pom-poms for the games.

The club tried to arrange transportation for as many peoples as possible in order to support the games. For the Charlottesville game the P.T.A. organized a car-pool and all those who wanted rides obtained them. For other major away games, we chartered a bus.

The Pep Club also raised $325 for the purpose of buying warm-up jackets (panchos) for next year's football team.

When Basketball Season arrived we had an election for the season. Carolyn Bassford was re-elected president and Kay Wisner was vice-president, with Nan Meyer secretary-treasurer.

During Basketball season, we helped sell cokes at the games. Susie Dodds was in charge of this activitiy. All in all, the Pep Club definitely helped support the teams and built up school spirit.

This year the Society's main job was re-establishing the Junior Honor Society by revising their constitution and selecting persons eligible for membership. In the spring the Honor Society held the induction of new members into both societies during a very impressive ceremony. The Society was also responsible for compiling an Honor Roll at the end of the marking periods and for choosing the people in "Who's Who."

A thoroughly successful year was enjoyed by the members.

The Latin Club was reorganized in September, 1956. Its membership was made up of former Latin students and those taking Latin.

With the help of our sponsor, Mrs. Yancey, we planned activities that would further the interests of the Latin students in Latin.

One such activity was a Roman election which was given on the day after the Presidential election. The characters were portrayed by Latin Club members and it was presented to the Latin classes.

After the election of our officers, the club held a weiner roast on Mount Vernon Blvd The Club sponsored a canned food drive for the needy families for Thanksgiving, and a toy drive for the less fortunate children at Christmas. The Club organized and directed D.E. NIGHT whereby students, parents, school administrators, merchants, and class room teachers met and got acquainted and to install officers of Annandale, Fairfax, and Mount Vernon D.E. Club.

The Club members attended the District D E. Convention Feb. 26 at Washington & Lee and won two out of four first places and one second place. Helen Shepherd took first place in Sales Demonstration; Denis Arnsen took first place in Display; John Robey took second place in Merchandise Presentation Contest.

# Debate and

The Debate Club officers in 1957 were Joanne Ulrick, playing the double-role of Secretary and Treasurer of a non-existing fund; Mary Jean Harris, our prexy after 4 years of championship high school debating; Robert Yens, our vice-president **sui generis.**

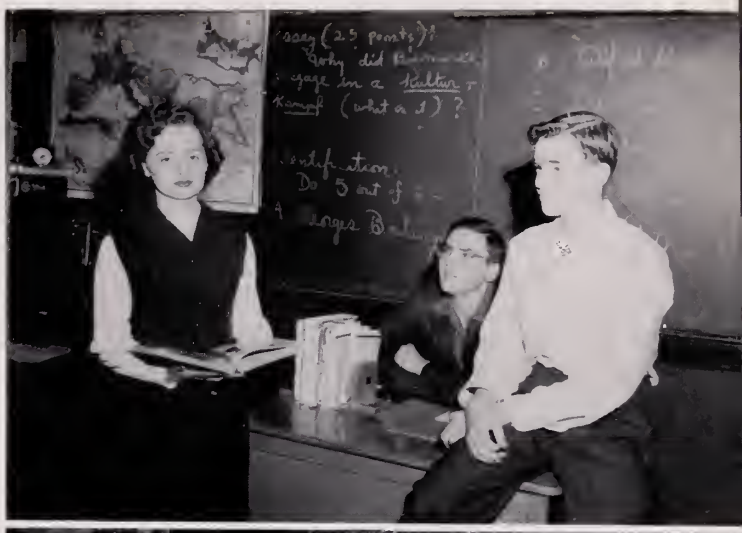
For several years, Mr. Cohen has been our Debate Coach and in charge of Forensics. Even though his approach to these activities has been that of providing all who are desirous of participation a chance to do so, our teams have won more than their share of victories.

OUR 1957 VARSITY TEAMS:
Bob Yens and Mary Jean Harris for the negative, who—as the Yearbook went to press—were tied for first place in the annual debate tournament, and Joanne Ulrick and Gene Vinagradoff, reflecting confidence of an expected victory for the affirmative.

Five of our Junior Varsity Debaters shown from left to the opposite direction are James English, Eddie Eschbach, Sara Feddersen (our most rapid orator), Noel Barrett (ask him to lecture you regarding the Bobsey Twins), and Janet Reafsnyder.

# Forensics

Mary Jean Harris was winner of the 1957 prose reading contest for girls; David Yens was winner of the same contest for boys, and Gary Gillum turned out to be our best speller.



Throughout the Yearbook in this issue you will find pictures of John and Kathy: here as winners of the public speaking contests. With them is Joanne Ulrick, our best poetry reader.

They represented our Alma Mater at the annual Forensic Tournament. This year it was held at McLean High School.

The Art Club this year consisted of students who have taken or are taking at least one year of art.

During the year the Art Club has had various projects and activities. The first such project was the sale of Christmas decorations made by the art students. Similar sales of the students' handiwork were held throughout the year. At any time during the year exhibits of pottery, clay jewelry, copper enamel jewelry, basket weaving and aluminum etching could be seen in the show cases.

Nine girls were chosen for the Junior Varsity cheerleading squad last June. Selection was made on the basis of grades, acrobatic ability, posture, reputation and personality.

Our main objective was to support the various athletic teams. Our cheerleaders had their first meeting to elect a captain, co-captain and secretary-treasurer at the end of last year.

This was a new year for all the J. V.'s and we worked hard at becoming good cheerleaders and to support our teams.

# School Scenes

Old Glory flies with dignity over our cherished Alma Mater to remind each of us the privilege of living in the land of the free and the home of the brave.

College Day participants fill our library with inquisitive parents, college bound seniors and representatives from schools of higher learning to answer questions for seniors.

After the game is over" an empty grandstand stands lone, once it was filled with carefree students and cheers for baseball players.

The bell has just rung and a familiar sight as students scurry from shop buildings to main class rooms in a very "short" four minutes.

Lots of Luck
to a real sweet girl.
I hope we will have fun
this year in Shorthand.
I know we will.

Love Jane

To the Red Headed B.F.G. - we sure have had
a lot of fun since we have known each other.
All of the things we have done together such
as Job's Daughters, your and my dates, school
activities, and most of all our mad crushes
on such "you know whats" as Mehor, Jim Yum,
District, Curly, etc., etc. I hope you make
Honored Queen of Bethel #22 and I hope
we will always be friends in everything
we do.

Love ya
Sue Wise

July, 1957

To the only B.A.G. (Nickname)

I know. Please don't ever forget all the great times we've had together. Especially the "Moonlight Cruise", New Year's Eve, asking for dates over the phone (especially "Lolly"), that (special) Saturday night in that '57 Mercury, secrets (which we never kept), our personal letters, our wild cardgames, "Frequent Flier", Lippe's Richmond and Illinois, our bicycle rides down Bunker Hill Road, all the boys we thought we liked (especially Pat + Vicky), our birthdays, gossiping, the sophomore class, the ball games, everyone getting our names mixed, signing yearbooks, Thursday (our day), that special date 7/16/57, and last but not least our female problems. Reading.

Rest of deck in the picture belongs to someone else. Such as husband, kids, house, and all it takes, cars, especially for you.

(Dream) always come true. I hope we'll have some chance to take in some things come in early. Ballgames, movies, etc.

I hope we'll make the most of the summer. Let's make the most of this summer.

coming "Junior" year. Let's make it "Sweet Sixteen" (Sixty-Sixty 16 & Sixteen!) Lolly is a sweet sixteen.

you are and you'll always be — 16 & 17 are and

I hope you'll read this — 16 & 17 are and

be reading my yearbook.

Always,

Lolly (the T.A.G.)
